- FCA authorized off-site hours for 1900-55, invoices, and ordering services/supplies. Please provide 1900-55 electronically to OSC for review when off-site. 1900-55 can
 be compiled in date ranges when verbally authorized by OSC.
- 2. T&D Coordinator authorized Off-Site hours to finalize T&D Award.
- 3. Ensure the Canberra part is shipped back and refund received.
- 4. Excavate any additional sampling test pits as requested by HP, continue excavation of identified sections of Area 5 as per OSC/HP direction, load material in super sacks/ store in Conex Boxes adjacent to Area 5 or consolidate in specific non-containerized staging areas. (DBA Rates) in preparation for load out.
- 5. Finalize access to water hydrant and obtaining water meter with the City of Niagara.
- 6. Removal of National Grid wooden poles and relocate with existing tree staging area.
- 7. Obtain: water tank sufficient for site operations, tarps for coverage of staged soil, one 10kw-15kw generator, mobilize 34,000 pound excavator.
- 8. Mobilize heated portable toilet unit by November 1, 2016.
- 9. Add one more Conex Container (Total of 12).
- 10. Individual crew members may work different positions within a work day depending on need (For example an operator could work as a carpenter one day).

| OSC needs to be notified when off-site hours worked & for what specific task. Extended w | ork hours authorized as needed by the OSC and will be listed in next DWO. |
|---|---|
| I certify that the above work is ordered and authorized by the contractor in the performance of the above cited delivery order. | I acknowledge receipt of this work order |
| Signature of OSC | Signature of Contractor's Representative |
